## **Welcome to the 2017 City of Seven Hills Home Days**

The City of Seven Hills is ready to host the annual Home Days Celebration, July 28<sup>th</sup> and 29<sup>th</sup>! Held behind City Hall, 7325 Summitview Drive. Seven Hills Home Days, sponsored by Waste Management always has fabulous food, riveting rides, and magnificent musical entertainment. This year promises to be equally entertaining! The area surrounding City Hall will be packed with food, games, rides, vendors and various musical performances over the two day event. Fireworks, sponsored by Rockside Crossings at Seven Hills are scheduled for Friday night at 10PM. Opening ceremonies with Mayor Dell'Aquila and VFW Post 7609, are Friday July 28<sup>th</sup> at 6PM. Home Days hours are Friday 6-11PM and Saturday Noon-11PM.

All are welcome to participate in the many activities at Home Days including the Chicken Wing Eating Competition, Classic Car Show, Cornhole Tournament, Historical Society Display, the Kid Zone for Make & Take crafts, Teen DJ Friday and Saturday Nights, the traditional Senior Drawing on Saturday afternoon, the SHFD Beer Garden and more! Seven Hills Home Days is indeed the place to be the last weekend in July.

Waste Management, Rockside Crossings at Seven Hills, Seven Hills Health and Rehab and Drees Homes, have generously provided sponsorships as well as their time and talents.

All in all, there is truly something for everyone! Home Days is special because Seven Hills, a community of close families and friends, is willing to work together to create a fun festival weekend for each person to enjoy. City Hall supports this effort as well as applauds the countless volunteer efforts of many individuals, organizations and local business partners.

**Mayor Richard Dell'Aquila says, "I invite everyone to visit Home Days for a weekend of fun and celebration unique to Seven Hills."**

Parking is extremely limited at the City Hall campus. For this reason, two shuttles will be running continuously and at no charge, all weekend from several locations. Feel free to park your car at the corner of Hillside and Broadview, Kmart on Broadview Road, or the Broadview Road Giant Eagle parking lot. Planning to park at these locations and take the shuttle will help avoid traffic issues at City Hall and make your Home Days experience that much more enjoyable.

Booth Vendor space is still available. This is a fantastic opportunity to get your company name and product in front of thousands of Home Days attendees! If you are planning to rent space at Home Days to promote your enterprise, please do so as soon as possible. All booths are first come, first serve. Vendor Application can be found on our website <http://sevenhillshomedays.com/> or contact Tony Terry, (216) 525-6230 [tterry@sevenhillsohio.org](mailto:tterry@sevenhillsohio.org)
